Join us each Friday at 10.00am for our new series, CE Startup Meetups.

We will hear from expert speakers on a range of CE topics, plus we'll hear a Founder Story from one CE startup each week.

This week **Brad Twynham from AusIndustry** will talk about JobKeeper for startups and a range of other ways the Government is working to keep startups afloat. Our Founder this week is **Adrian Jones from Blocktexx** who will take us into his world of textile recycling.

Cost: Free! | Where: Online via Zoom
